CCHD seeks nominations of Catholic young adult leaders addressing poverty

Do you know a young, faith-filled Catholic (age 18-30) who is actively engaged in work on the local or national level to break the cycle of poverty in our country? Help the Catholic Campaign for Human Development (CCHD) honor young social justice leaders by submitting a nomination for the *2010 Cardinal Bernardin New Leadership Award*, an annual award for Catholic young adults leading efforts to address the root causes of problems in their local communities. Nomination forms and award brochures can be downloaded from:

From the
Pastor's Desk

Religious Education

As I sit down to write this article for the Pastors Desk, my heart is busting with joy. Our daughter-in-law recently gave birth to our 7th grandchild, a girl Madison Sandra. She was born nearly 7 weeks early but is going well. This tiny (4lb. 6oz.) baby is beautiful and perfectly formed. God's miracle!

A day or two after her birth, I received this prayer retreat on Loyola Press. Com. It is from Exodus 20:21 "Honor your father and your mother that you may have a long life in the land which the Lord, your God is giving you". This verse makes me think about the awesome responsibility we have as parents and grandparents.

The retreat continues on with the following thoughts on how to live out this scripture. Jesus showed us how to live the fourth (4th) commandment. He was born into a human family and grew to a adulthood through the care of Mary and Joseph. Because of the Incarnation, all family life is sacred. Parents are at the center of the family. They have the responsibility and also the privilege of caring for their children and each other. In living the fourth (4th) commandment, we return to our parents the appreciation and respect that we owe them. This mutual care is what builds family relationships. Jesus' example of honoring his father and mother shows us the way.

My husband and I have raised six (6) wonderful children to adulthood (not always easy), always trying to follow Mary and Joseph's example. We feel their love and appreciation for us. Now we have the ultimate joy and privilege of seeing them become parents and we get to be grandparents (cookies in the morning). No greater joy than this role!

"Thank You Jesus, for the gift of family. May I continue to grow in my appreciation of the sacredness of family life". (Loyola Press)

God Bless
Sandy Litcher D.R.E.
